, Engineer.
PROTESTED by Land Development Company, December 12th, 1914. PROTESTED by Jennie C. Dunphy Meyer, Trustee, et.al. January 22, 1915 APPROVAL OF STATE ENGINEER
This is to certify that I have examined the foregoing appli-
cation, and do hereby grant the same, subject to the following lim-
itations and conditions: This permit is issued subject to all prior rights on the source.
The applicant must install a standard headgate and weir at or near the
point of diversion to facilitate the measurement and control of water.
The State reserves the right to regulate the use of the water herein
granted at all times.
The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed
One & 6/10 cubic feet per second. (1.6)
Actual construction work shall begin on or before September 2, 1915.
Proof of commencement of work shall be filed before October 2, 1915.
Work must be prosecuted with reasonable diligence and be completed
on or before November 2, 1915.
Application of water to beneficial use shall be made on or before
February 2, 1920. Proof of the application of water to beneficial
use must be filed with State Engineer on or before March 2, 1920.
